# MUSIC Stay-and-Play!

**Music & Movement for Children 3 months to 3.5 years**

WarmLines offers an exciting multi-age program designed to enhance musical and social experiences for children and their adult partners. Popular music educator, Ronni Olitsky, begins with a structured 45-minute music class. Ronni introduces songs, finger plays, chants and movements using a variety of rhythm instruments and play materials, incorporating elements of both traditional and contemporary children's music. Class is followed by an informal playtime with age-appropriate toys. Ronni facilitates the playtime activities and leads a closing circle time.
